Gangaprasad Urekar

Web Developer — MERN Stack Developer

📞 +91-7276592004 ✉ gangaprasadurekar0@gmail.com in Linkdin.com ⌗ Github.com 💼 Portfolio

Summary

I am a passionate MERN Stack Developer skilled in React, Node.js, Express, MongoDB, and REST APIs. My experience includes building collaborative and real-time applications, implementing engaging frontend interfaces, and deploying robust web services. I am eager to grow as a full-stack developer in a dynamic environment.

Experience

Full Stack Developer
Self-Driven Learning & Development (Remote) 2024 – Present

- Built full-stack projects including Remote Interview Platform, AI Finance Tracker, and DentCare Appointment System

- Focused on clean UI, modular components, and responsive layouts

- Developed REST APIs, tested endpoints using Postman, and designed MongoDB schemas and CRUD workflows

Education

B.Tech — Computer Science and Engineering
Government College of Engineering, Chhatrapati Sambhajinagar
Currently in 3rd Year — CGPA: 8.7 / 10

Post Basic Jr College, Marwali Tanda(12th)
Percentage: 76.67% (2021–2023)

R.C.S Sainiki Vidyalaya, Sagroli (10th)
Percentage: 89.20% (2017–2021)

Certifications

NPTEL Soft Skills Certification
Communication, teamwork, professional workplace collaboration

Google Cloud Bootcamp Certified
Cloud fundamentals, deployment workflows, modern application environments

Solved 150+ LeetCode Problems. Profile Link

Skills

Frontend
HTML, CSS, Tailwind CSS, JavaScript, React.js, Next.js, TypeScript

Backend
Node.js, Express.js, REST APIs, Socket.IO

Databases
MongoDB, SQL

Programming
Java, Python, C, C++

Developer Tools
Git, GitHub, Postman

Problem Solving
Data Structures and Algorithms (DSA)

Projects

Remote Interview Platform   2025
Real-time coding and interview platform with synchronized editor and host–participant sessions using Socket.IO

- Implemented REST APIs and deployed backend on cloud with optimized uptime and responsiveness

AI Finance Tracker   2025
Personal finance tracker managing income and categorized expenses

- Designed CRUD workflows and summary insights for budgeting and spending trends

Dental Appointment System   2025
Appointment booking system with doctor selection, patient registration, and slot scheduling, along with an AI voice assistant that provides dental guidance and symptom-based advice.
